Dear Michael:

I cannot tell you how pleased I am with my new patio! It is truly a dream come true, and a clear representation of the quality of your workmanship. You were prompt, courteous, and timely; not qualities usually associated with contractors. Your crew was likewise professional, courteous, and cleaned up the work areas every day. I trusted them with my home, and no one associated with CNW let me down. My job was a small one, but I was never treated like it wasn't your top priority.

I would be happy to be a reference for future customers. They can reach me at the above telephone number or address. Thanks again to you and your crew.

Regards,

Lesa Wolman
